

Shepherd Neame Mystery Visitor Programme Terms & Conditions for Mystery Visitors

We know this is the boring bit, but it is important so please get yourself a brew, make yourself comfy and take a few minutes to read it through.

Rules for Mystery Visits (Please take time to read this now so you know exactly what we need from you and what you can expect from us)

- Applicants must be over 18 years of age.
- Completing an online registration form does not guarantee a 'mystery visit' will be allocated to the applicant.
- Visits are allocated based on proximity to the location, the profile you give us about yourself (why you visit the pub and your pub likes) and how well you have completed previous mystery visits. The visits are only set when a pub needs a visit therefore visit numbers are limited.
- The application form must be fully completed to qualify for a 'mystery visit'.
- Mystery Customers must fulfill the full requirements of the visit to gain their reward. We recommend that you phone the pub ahead of your visit to ensure that the pub is open and serving food at your intended visit time. Incomplete or unfulfilled visits will not be rewarded.
- You will need to look at the pub details on line before your visit and you must visit within the advertised opening hours.
- If you wish to dine you must book a table in advance as we cannot pay for visits where you are unable to dine due to the pub being fully booked or not serving food that day.
- All area's must be assessed so all visits must include a visit to the toilet and the outdoor /smoking areas.
- Reports submitted without comments or with sparse comments can be rejected as not meeting the required standard for payment. You will be given the opportunity to add more comments to your report and resubmit it.
- We may also contact you via phone to ask you for more information.

- Payment is usually £10-£20 per assignment but you will be notified of the allowance each visit has as you are assigned it, and again as you accept the visit. Visits where a drink is purchased are paid at the lower £10. Food and drink visits are paid at £20. We are always interested in a food experience, therefore EVEN if a visit is set as a drink visit but you have the opportunity to eat and feedback on the food you will be reimbursed the higher £20 fee.

We track which reports you have done but this is never revealed to the pub. Your reports are always anonymised. We ask you not to attach any photos of yourself to your reports.

We will e-mail you when we have mystery visits you may be interested in and to send you updates on your mystery visits. From time to time we will also send you group e-mails to tell you of key mystery visit activity or any changes we are making.
